Sermon Focus Points: (Short sentences that give the reader a brief understanding as to what the sermon was about, designed to get the reader interested in the sermon. It is not necessary to fill out all 12 lines. Just include those things that pertinent to the sermon.)

1. The Lord calls us to “Occupy” and trust in Him.
2. The difficulties that Mary and Joseph endured, as well as the shepherds, are an inspiring example of what it means to “Occupy”.
3. Jesus “occupied” for our salvation, every day of his life.
4. Jesus said “Knew ye not that I must be about my Father’s business?”, which should be a reminder to us to constantly take a look at our own lives, to stay focused on our Father’s business.
5. Jesus said “I will not leave you comfortless; I will come to you.” If we allow Jesus into our life, he will “occupy” with us. We do not have to “occupy” alone.
6. When we “occupy”, more will be given unto us. This allows us to give more, with greater understanding.
7. We need to look through “new” eyes, and find ways to “occupy” in deeper and profound ways.
