Garden of Healing

Remember all of those lessons on the garden of our hearts?

Not only do we have the Spirit of God living in us like a fruitful plant, but we can plant seeds of healing!

How do we do that?

There's a movie called The Healing Garden. You can watch it here: <https://www.youtube.com/watch?v=axsukZEJX5M>

In the movie, they find out who needs God's help and they plant a paper with a prayer along with a seed. Every time they tend to the garden, they pray for those people!

What a great way to continue to pray and watch the plants grow!

Jesus told us how to pray.

"Our Father, who art in heaven, hallowed?"
