

Kingdom Kid Pledge

Spoken like a chant

KINGDOM KID Pledge

I'm a Kingdom Kid
And I'm here to say,
I'm living my life
in a brand new way.

I repented of my sins
And asked Jesus in my heart.
He's living here inside
And His love is OFF THE CHARTS!

He sent his Holy Spirit
And He's helping me to stay
In His peaceful kingdom
And in the narrow way.

Now I'm a Kingdom Kid
And I want to share with you
The message of HIS Kingdom
So you can be one, too!

My Testimony

by Becky Stayton

In the fall of 2018, the Lord started putting a burden on my heart for the kids of our branch, elementary age and older. As a parent and grandparent, I know there are many distractions that lead our children away from God. I felt like they needed a way to be more grounded and make it through the tough years ahead. At the time, I had no idea what 2020 would bring!

As I relinquished my will to His will, ideas started flowing. He gave me the name **Kingdom Kids**, the basic format and a [Kingdom Kid Pledge](#). The pledge came while I was sleeping, in the wee hours of the morning.

Next, the Lord started giving me stories to write. I would be given the beginning of the story but I would not know the rest of the story until later when He inspired me to continue the story.

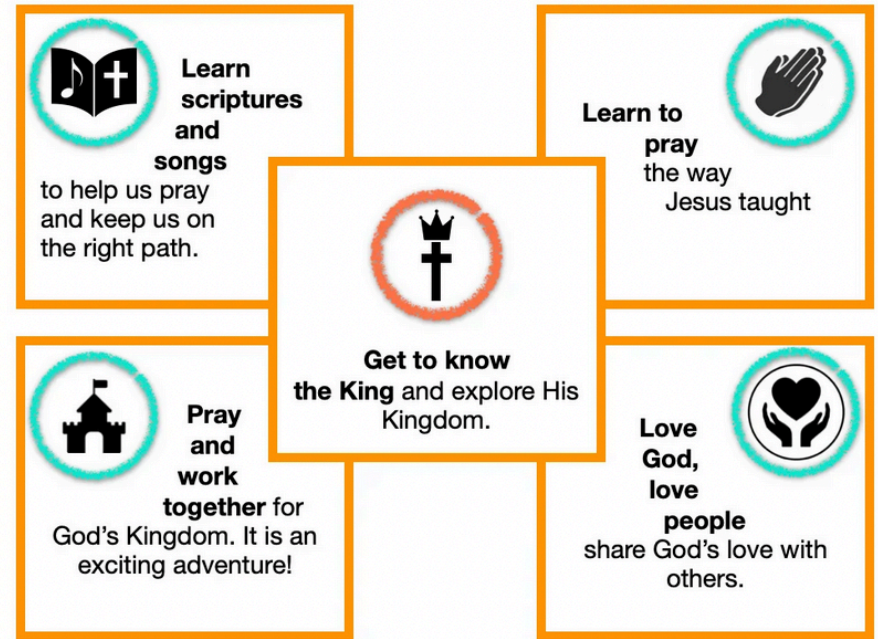

More miraculous things kept happening until I was absolutely convinced that this was of God. Everything fit together like a puzzle. Over and over he prodded and guided. He brought others with testimonies of the need of this ministry. He made it clear to me that Kingdom Kids was about children and prayer.

One thing that has become increasingly clear, God wants each one of us to rely on Him. He doesn't want you to follow step-by-step exactly what we have done. He wants each teacher and family to seek Him for ways to implement prayer and His presence in their lives. We give these examples as a stepping off place. Continue to seek Him and He will give you what you need.

What is Kingdom Kids?

Equipping kids to become a vital part of God's KINGDOM on earth by partnering with Him in prayer.

- Kingdom Kids is for children of elementary age. However, we are all kids of the Kingdom, so it's for everyone!
- Lessons can be used in Sunday School, Home School, family worship, camps, whatever!
- Kingdom living is daily, so it really needs to include families.
- Kingdom Kids should be more like a lab than a class. It should be hands on learning.
- **Prayer is the most important part!**

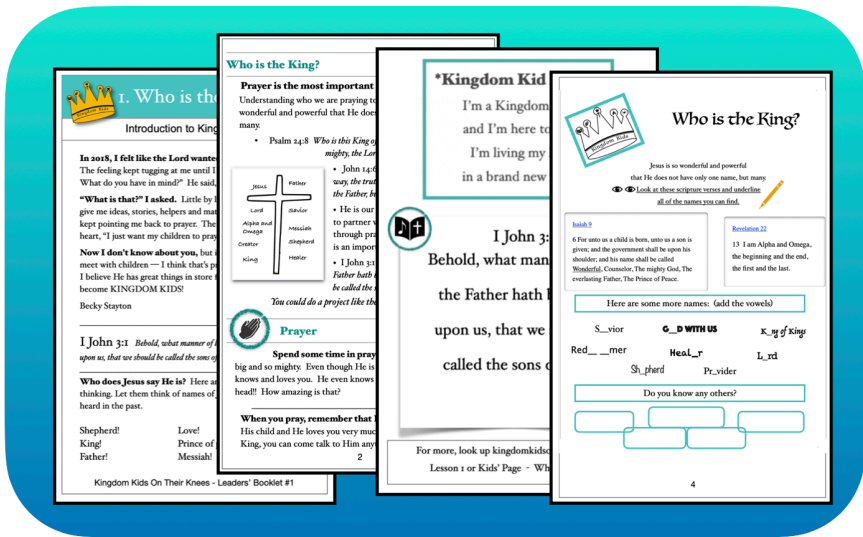

Remember to be led by the Holy Spirit. These are just ideas to get you started praying with your kiddos. Being a part of God's Kingdom is a great adventure!
